6 from Chapt 5.9
_____

The other factors can be changed to keep using the same page size is:

1) The DRAM cost or size trends dramatically slow down.

2) The Disk $/access/sec increases dramatically

3) Its more likely to happen due to the emerging flash technology. And

4) The DRAM can perform fast operations but less reliability

6   from   Chap't   5.9
